Like the competition last year everyone will be graded into groups of 13 each playing a round robin (so everyone plays everyone in their group) over the first three weeks. After the three weeks players are ordered by grade (and by wins within each grade) into one master list which is then sectioned off into groups of 5 (the top 5, the next 5, the next 5, etc.) for a separate 'final' round-robin on the 4th Wednesday (23rd) to determine final placings.

If you want to play but can't make one night let us know or if you only have limited availability it would be very useful to have you enter as a reserve.
