33	Harry Tam	10		12	0	22	
34	Archit Nanda			8	14	22	
35	Hamid Mahroeian			16	0	16	
A good finish to the competition with several very tight groups playing the last night.							
The final medal positions were determined by the final double for the players, with the possibility existing of a tie for first place.							
Congratulations to each of the medal winners and indeed to all who played.
