

SUMMER COMPETITION – 2024

This year, in the place of the usual Summer Interclub for teams, the Summer Competition will be for individuals competing against each other, similar to the November events of recent years.

When and Where

Wednesday evenings commencing 13 March and finishing on 10 April 2024. At Empire Stadium, reporting time before 7.00 pm for a 7.15 pm start.

Format

- Each player to play four singles, best of five sets. Mainly round robins, but possibly by arrangement to ensure players play four matches.
- No doubles

Points awarded for results as follows: Each singles match is worth 10 points, based on results as follows:

- | | |
|------------|----------|
| • Win 3-0 | 8 points |
| • Win 3-1 | 7 points |
| • Win 3-2 | 6 points |
| • Lose 2-3 | 4 points |
| • Lose 1-3 | 3 point |
| • Lose 0-3 | 2 points |

- Players entering should commit to playing regularly. This is not for casuals. Players missing two sessions will be dropped from future weeks.
- Fees: \$8 per player, per night.
- If players are unavailable, it would be appreciated if they could advise Kevin Haines prior to 6.45 pm on the night. Similarly, if players anticipate arriving after 7.00 pm but wish to be included in that night's draw, please contact Kevin to avoid missing the draw.
- Groups for the first week will be organised using TTNZ rating points or an assessment for those not with points.
- Subsequent weeks, groups will be based on the finishing points after the previous week's matches. This could mean some repeats from the previous week, but not necessarily too many, given the impact of points from a group, plus the results from groups immediately above and below on the table.

Entries either direct or through your Club no later than 11 March.
